## Features

During 2019, a total of 16 companies exported a variety of chocolate presentations, including tablets and with filling.

Given the high quality of Costa Rican cocoa as raw material, the chocolates that are produced and exported have a gourmet purpose.

Chocolate can be combined with many flavors, such as orange, coconut, honey, and mint, resulting in different and specialty products.

## Why buy from CR?

In addition to presenting quality, innovation, and diversity to the world, our offer is backed by the best foreign trade promoter in the world, PROCOMER, responsible for promoting the export of Costa Rican goods and services worldwide. Our goal is to support companies in the search for long-lasting business relationships with potential buyers who need to meet a demand, as well as to simplify and facilitate export procedures.
