

# JUICES AND CONCENTRATES COSTA RICA, NATURAL FRESHNESS

- The tropical flavor of Costa Rica is known throughout the world, not only for its fruits, but also for the great variety of products derived from them. This includes juices and concentrates, which are manufactured under the highest quality and food-safety standards, in addition to the freshness and nutritional richness that it provides consumers.

## Features

During 2019, a total of 25 companies exported a wide variety of juices and concentrates to different international destinations.

These products have a shelf life between 12 to 36 months and can be stored between 0 to -18 degrees Celsius, depending on the type of fruit.

Its main use is as raw material, however, many of the products are also made for the final consumer.

## Why buy from CR?

In addition to presenting quality, innovation, and diversity to the world, our offer is backed by the best foreign trade promoter in the world, PROCOMER, responsible for promoting the export of Costa Rican goods and services worldwide. Our goal is to support companies in the search for long-lasting business relationships with potential buyers who need to meet a demand, as well as to simplify and facilitate export procedures.
